

Dear Members and Friends at Fjeldberg,

The Fjeldberg Lutheran Church Council met March 16. Because of the COVID-19 virus, we are taking the following actions:

Suspend worship and all gatherings

NO Sunday worship and NO Sunday school

NO Wednesday Lenten meals or worship

NO Choir or Bell Choir practice

NO in-person group or Committee gatherings

This will continue *indefinitely* (Council will determine when we resume.)

The church office WILL be open

The church office will be open for regular office hours.

We WILL worship

A shortened on-line video worship service will be on YouTube

(Fjeldberg YouTube channel has been created)

There will be links from the Fjeldberg website

We are *always* a faith community

God created us for each another; we need fellowship in the faith.

Call and pray for each other more often in the days ahead.
