Affirmation of Baptism

Scripture Verse: *I am the vine, you are the branches. Those who abide in me and I in them bear much fruit, because apart from me you can do nothing.* (John 15:5)

I grew up a Christian. But when I decided to go to Confirmation I learned more. Faith in God means we are connected to God and also connected to people in good times and bad.

I want to spread the Word and the belief in God. There are many ways to do this. We share a meal; stick up for someone; giving to others; or if you really have to, you can talk about it.

Even though people are different, God wants us to have peace in this world. God brings that peace through Jesus. It's not big, scary, angry, or intimidating; it is small, like a baby. He heals and brings relationships together and he doesn't hate. Jesus died on the cross and rose again so that we can be forgiven and be with Jesus forever. That is Good News and I want to be part of that.
