

# High School Mission Trip 2019

## Kenosha, Wisconsin

In Kenosha, Wisconsin we'll be "living on the edge". The city lies on the edge of Illinois and the edge of Lake Michigan. It's right between two larger cities: Milwaukee and Chicago. There is a port on Lake Michigan for Great Lakes shipping and the Jelly Belly factory is just down the road!

Years ago, Kenosha was a big-time manufacturing city. American Motors Corp. (*made Jeeps before Chrysler bought them*) had a major manufacturing plant that once brought jobs and income to many families in Kenosha. That factory and many of the supporting industries are gone.

The city of Kenosha has targeted two areas as top priority in the next five years: first, programs to help the youth of the community; and second, improvements to urban areas. Our service projects will directly and indirectly support these two initiatives.

We will work alongside established ministries and groups in the city to see the light of Christ and *be* the light of Christ.

### How We Will Serve

We will meet the people of Kenosha and experience the presence of God working on projects such as:

- Engage and interact with individuals with disabilities in activities including: socializing, playing games, and helping with projects.
- Brighten the day for seniors at assisted living centers helping with games, crafts, and gardening.
- Assist in food distribution; "shop" with clients, pack groceries, stock shelves, and help in the warehouse.
- Serve at a center for people with disabilities; interact with residents; clean windows, vehicles, and wheelchairs; and beautify the grounds.
- Assist at a Summer Day Camp with activities and events for kids ages 5–15 (*three locations*).
- We will be placed on six-person project crews for the work portion of each day (*one adult and five youth*).

Electric street car travels a 1.7mi loop near the shore of Lake Michigan. In the background is Kenosha's landmark Big Red Lighthouse.

### All the Basic Info in One Place

<b>Destination:</b>	Kenosha, WI
<b>Dates:</b>	July 7 - July 12
<b>Registration:</b>	extended to May 12
<b>Deposit:</b>	\$200 per person
<b>Lodging:</b>	Journey Church, Kenosha ( <i>air conditioned</i> )
